Description

New price for a Summer Sale! This boat is pristine! Must see! Great value!

The US-built Regal 42 Sport Coupe is known for its exceptional design, offering best-in-class entertaining, dining and overnight accommodations, with every comfort, in a manageable and stylish 42' boat.

Guests will appreciate dining at any of the *three* comfortable tables, or lounging on either the forward or aft sunpads. And when night falls, the Regal 42 offers two full Staterooms with berths for four, two heads and two showers, plus additional sleeping accommodations for two or three more.

Preparing meals and drinks is a breeze, with a full Galley down, *two* refrigerators/freezers, an icemaker, stove top, microwave and an outdoor electric grill.

The Captain will love the ease of running and docking this Volvo IPS-powered boat, with Joystick control and excellent sightlines, and all will agree about the kindly seakeeping, remarkably quiet running, and wonderful open-air feeling with the huge sun roof wide open.

EBURY SW1 is an outstanding, barely used example, with very low hours, loaded with many desirable factory options and upgrades, and impeccably maintained by its first and only owner since new. Always kept at in a quiet cove in Essex on the Connecticut River, she is essentially a fresh water boat. Complete service records from new are available.

EBURY SW1 will delight even the most fastidious and discerning buyer. Call now for an immediate private showing.
