Description

Introducing FLAG DAY, a beautifully presented 2002 Grand Banks 46 Europa. Possibly unique, FLAG DAY is ideally suited for the Great Loop, with no mast, and a hinged radar arch that folds down, giving an low air draft of only 15 ft.

Special Features

- (2) CAT 3126B engines, each 450 HP
- Stabilizers
- Hydraulic Swim Platform
- (3) zones of A/C and Heat
- Laundry
- (2) Staterooms
- (2) Heads, each with Enclosed Showers
- Dedicated battery bank for Inverter
- Generator
- Tender Davit
- Hinged Radar Arch
- Custom canvas covers for brightwork

FLAG DAY cruises at 12 knots, and has a maximum speed of 20 knots, making it perfect for leisurely exploration, or a fast fast dash. FLAG DAY is fully equipped with Stabilizers, three zones of A/C and Heat, Washer/Dryer, extensive House battery bank, Generator, Tender Davit, *and* a Hydraulic Swim Platform.

The interior boasts a large Salon, spacious flybridge and two well-appointed cabins/two heads, providing the luxury of space and privacy. This Grand Banks 46 Europa is more than an elegant Motor Yacht. She is a passport to unforgettable adventures on the water, combining comfort, performance, and practicality in one stunning package. Experience the joy of cruising aboard FLAG DAY.

- WiFi booster (2018)
- KVH Sat TV (2018)

Engines and Mechanical

- (2) robust Caterpillar 3126B turbocharged and aftercooled 6-cylinder, 7.2 liter diesel engines (upgrade) each 450 HP. The electronic engine display shows 1,924 hours (port) and 1,269 hours (starboard). The cause of the variation unknown, as the hour meters are operable. It is assumed that the higher number is correct, noting that the aftercoolers and heat exchangers were serviced at 1,350 hours
- Electronic fuel controls with electronically controlled fuel injectors providing precise fuel delivery, for low smoke and enhanced fuel economy
- The cylinder head features a a cross-flow, three-valve configuration for optimum intake and exhaust flow
- Racor twin element fuel filters
- Complete aftercooler and heat exchanger service and pressure testing (at approx 1,350 hours)
- Steel fuel tanks cleaned (2019)
- Westmar Stabilizers (installed 2015)
- PSS Dripless shaft seals (2019)
- Vetus 12DC bow thruster
- **Aquadrive Upgrade** greatly reduces vibration and reduces maintenance: constant velocity universal joint eliminates the need for periodic shaft alignment, massive external thrust bearing reduces stress on transmission and engine bearings

Electrical

- Westerbeke, 4-cylinder, 1,800 RPM, 12.5kW generator model 12.5 BTDB with Sound Shield (2,539 hours)
- 50A shore power connections forward and aft
- 50A shore power cords and adapters
- Vetus 12VDC bow thruster with dedicated battery and charger
- Galley extraction
- Princess Electric 3-ring cooktop/convection oven
- Panasonic Microwave
- (2) Sub Zero refrigerated drawers
- Sea Frost top loading freezer
- (2) House/Start 8D Batteries (2025)
- (2) Additional 8D AGM batteries for the inverter (2024)
- Generator start battery
- (2) AGM bow thruster batteries withg dedicated charger
- Xantrex Freedom XC 20000 2kW Inverter (2024)
- (3) Zones of Heat and A/C: 16,000, 15,000 and 11,000 BTU, located in aft lazarette for quiet operation
- (3) bilge pumps
- (2) shower sump pumps
- Fresh water pump
- Mastervolt Chargemaster 12/50-3 battery charger
