## Description

MAGIC is one of the last Eastbay 43 HX models, Hull # 0097, thoughtfully designed and built to the highest standards by Grand Banks.

The famed C. Raymond Hunt planing hull assures excellent seakeeping. MAGIC features optional twin 500 HP Yanmars, giving a fast 21kt cruise, and 29kt WOT.

The soft back in conjunction the with Pilot House AC and heat ensures comfort in all seasons. In fair weather, the aft enclosure may be easily rolled up, or removed completely, to provide a wonderful 'open boat' feel, and great communciation between the Helm and the cockpit. The large, fixed, bimini provides welcome shade in the cockpit.
