Description

JUBILEE is a very rare Grand Banks 36 Sedan, demonstrating Grand Banks' unequalled mastery of yacht design and quality construction, using the finest materials. The Sedan offers an extended salon aft, with custom seating to port and starboard, and a great flow from the salon to the aft cockpit. Galley is up, and two staterooms (and large head with separate stall shower) are below.

The very spacious flybridge is offers great visibility for running the boat, and is a favored place to gather at the end of the day.

JUBILEE's owners have spared nothing in her upkeep. JUBILEE has new electronics, new fuel tanks, new exhaust systems, recent generator and superbly maintained brightwork, both inside and out.

In the preferred twin-engine configuration, with Generator and A/C, JUBILEE is truly an extraordinary motor yacht, with classic, timeless style, offering full-size amenities in a manageable package.
