Description

STARBOUND is a truly premium example of the much coveted Legacy 32, the epitome of a refined Downeast express cruiser. Conceived by legendary designer Mark Ellis and craftsmen-built in Rhode Island, the Legacy 32 blends classic New England aesthetics with modern engineering and comfort. Built with a focus on seaworthiness, efficiency, and luxury, this vessel is a modern classic, offering both timeless lines and contemporary performance.

Measuring just over 32 feet in length with a generous beam of approximately 12 feet, STARBOUND delivers a stable, smooth ride thanks to its modified deep-V hull and wide chine design. The preferred single inboard 380 HP Cummins high output diesel engine option provides efficient cruising capabilities (reported 14-21 kt), quiet operation, and dependable handling in a variety of sea conditions.

The Legacy 32 'pocket yacht' features a practical and comfortable layout with a heated and air-conditioned helm area, ample seating, and a well-appointed cockpit suited for entertaining or relaxed cruising. Wide side decks and sturdy rails enhance safety and ease of movement, while thoughtful details reflect quality craftsmanship throughout.

STARBOUND offers a warm, inviting interior finished in rich cherry wood, creating a yacht-like atmosphere uncommon in boats of this size. The cabin includes a fully equipped galley, a head with a separate enclosed shower, and a large island berth. The vessel offers very comfortable seating for four on the helm deck and three in the Cockpit.

STARBOUND has been meticulously maintained since new and winter-stored in heated quarters. Maintenance is fully up to date, including heat exchanger and aftercooler. Aft enclosure, interior furnishings and exterior brightwork are impeccable. The engine room is spacious, clean and bright.

STARBOUND offers the added benefit of the owner's "open check book" with comprehensive fall and spring annual Gold Service maintenance at one of New England's premiership yards. This Legacy 32 offers virtually all the amenities of larger yachts in a compact, easy to handle, efficient package:

Cummins high output diesel with SmartCraft electronic controls

Keel and skeg fully protect the prop and rudder. Deep keel provides excellent tracking

Mark Ellis designed hull with lifting strakes reaches plane at 12 kt

Bow and Stern Thrusters

Underwater exhaust for quiet cruising

Center island Queen

Dual zone A/C & reverse cycle heat in both cabin and helm deck, with individual controls

5kW Onan generator and 2kW sine-wave inverter

Efficient galley with microwave, cooktop, built-in coffee maker, refrigerator and unique pull-out pantry

Large head and fully enclosed shower

Aft cockpit seating and table and chairs, helm deck seating and second table

Opening center windshield and side windows on helm deck

Windlass

Transom door

STARBOUND will appeal to discerning boaters seeking a balance of classic styling, efficient performance, and upscale amenities - making her equally suited for day cruising, coastal exploration, or weekend getaways on the water.

Information & Features

2006 Cummins QSB5.9-380 HO (Engine 1)

Engine Type:	Inboard	Drive Type:	Direct Drive
Fuel Type:	Diesel	Power:	380 hp

Accommodations

SALON / HELMDECK

- Captain's and Mate's Stidd seats with height and position adjustment and footrests. Can be rotated
- All seats upholstered in ivory Ultraleather
- Bench seats to port and starboard, with comfortable quarter-round aft backrests
- Storage under seats
- Removable high-gloss varnished dining table 42" long x 31" wide, which can also be set up in the cockpit, or stored in the custom starboard aft locker
- Teak sole
- Large engine hatch with heavy sound insulation, with gas lift struts
- Heat and A/C control
- 120VAC GFCI Duplex outlets
- (2) Sliding safety glass side windows
- Center opening safety glass windshield
- (4) Overhead lights
- (2) Overhead lights forward with white and red bulbs
- Overhead grab rail
- (2) Opening overhead Bowmar hatches for light and ventilation, with screen and shade
- (2) Overhead speakers
- White Stamoid aft enclosure with screen and Strataglass in like-new condition (2024)

GALLEY, below to port

- Schott Ceran 2-burner glass ceramic electric stove, 120VAC
- Vitrefrigo model DW70 stainless-steel single drawer type refrigerator, 2.6 Cu ft, 12VDC/120VAC
- Additional portable Isotherm TB18 18-liter portable 12VDC refrigerator and freezer travel box, for the helm deck or cockpit. Ideal for frozed food, or as a party cooler
- Stainless-steel sink with hot and cold pressure water and mixer faucet
- Tappan microwave
- Brew Express BE-110 built-in coffee maker, connected to ship's fresh water supply, 120VAC
- 120VAC GFCI duplex outlet
- Dry goods/pot locker
- Extensive storage including large pull out pantry
- Waste bin under companionway steps
- (2) opening ports above galley, with screens and shades
- Opening overhead hatch for light and ventilation, with screen and shade
- (2) Overhead lights
- Meade Instruments atomic clock and weather station (precise time, temperature, humidity, barometric pressure, forecast)
- Teak and Holly laminate sole

LUXURY FORWARD BERTH

- Delightful, welcoming, restful ambience with satin varnish throughout
- Center island Queen berth 6' 6" x 58" wide (maximum), with storage drawers below
- Varnished forward bulkhead, with no access to chain locker
- Upholstered headboard
- Hanging locker to port
- Shelves to starboard
- (2) Reading lamps
- (6) Overhead lights
- (4) Port and starboard opening ports, with screens and shades
- Additional storage lockers
- Heat and A/C control
- 120VAC GFCI duplex outlet
- Teak and Holly laminate sole
- Large overhead hatch for light, ventilation and emergency egress, with screen and shade
- 19" TV

ENCLOSED HEAD with SEPARATE SHOWER STALL to starboard

- Very large mirror
- Sink with hot and cold pressure water
- Jabsco Quietflush electric head
- 120VAC GFCI Duplex outlet
- Large storage lockers
- Opening port, with screen and shade
- Tiled sole
- Macerator pump for overboard discharge where permitted
- Enclosed shower stall with door
- Floor grid in shower
- Shower seat
- Large storage locker
- Opening overhead hatch for light and ventilation, with screen and shade

COMPANIONWAY

- Lockable folding doors and sliding hatch from helm deck with darkened privacy glass
- Wema fresh water tank and holding tank gauges conveniently located
- Sony DSX-M55BT marine receiver (2019)
 - Integrated Bluetooth technology, one-touch listening with NFC, front USB
 - USB playback supports MP3 and multiple other formats
 - SiriusXM satellite Radio ready
 - Works with Pandora (iOS and Android)
 - Siri hands-free control of iOS devices

- Advanced sound with EQ5 and Mega bass
- Wireless remote
- Mastervolt control suite:
 - (2) AC power analyzers type ACM-1, with multi-function digital displays
 - Battery monitor BTM-III with digital display and charge and inverter controls (new 2023)
- Onan Generator control

Helm, Electronics and Navigation

- Raymarine Axiom Plus 12 MFD chart plotter (2023), software version 4.4.70
- Raymarine Doppler Radar (2023).
- Radome antenna mounted on powder-coated mast on hardtop
- Raymarine AutoHelm Series Tridata
- Icom IC-M504 VHF with DSC
- Raymarine AutoHelm Series Autopilot
- Raymarine Wind instrument
- Digital AM/FM 4' antenna (new 2025)
- Glendinning single lever electronic throttle and gear control (fully refurbished 2020)
- Cummins SmartCraft digital monitor
- Lenco trim tabs with trim indicators (new actuators and controls 2019)
- Bow and Stern thruster controls
- Maxwell anchor control
- Paralleling switch
- Remote battery switches at helm
- Wiper/washer controls
- 3 1/2" Ritchie compass
- Cup holder
- Chart locker and table to port

Mechanical, Tankage and Fuel

- Preferred single high-output engine with electronic control for lowest maintenance costs, excellent fuel economy and great accessibility
- Very spacious engine room, with easy access, provides optimal conditions for owners daily checks, as well as servicing
- Cummins QSB5.9-380 HP, 6-cylinder, 2006, (1,201 hours August 8, 2026)
 - Unmatched performance, with matched turbocharger and 24-valve cylinder head that delivers industry-leading power density
 - Quiet operation, including an 80% noise reduction at idle
 - High-pressure common-rail design with electronic fuel control virtually eliminates smoke
- S/N: 46605570
- Glendinning single-lever electronic throttle and gear shift (fully rebuilt 2020)
- Aftercooler and heat exchanger serviced (2024). Removed from vessel to workshop, dismantled, cleaned, resealed, pressure tested, repainted, reinstalled)
- (2) Groco sea strainers to sea chest. Two thru-hulls and two strainers provide 100% redundancy in case of a blockage
- Drop-down external strainers for ease of cleaning
- The sea chest has an additional 'crash valve' to use the engine impeller pump as an emergency high flow bilge pump, giving a total of 5 bilge pumps
- Transmission: ZF 220 A, 1.75:1 ratio, S/N 50099P
- Engine room ventilation: louvered hull vents, with 12VDC blowers

RUNNING GEAR

- 2" Aquamet 22 propeller shaft with line cutter
- Tides dripless shaft seal (2022)
- Propeller: 4-blade NiBrAl (Barnacle barrier applied annually)
- Cast bronze rudder with stainless-steel post (new rudder post seal 2022)

TANKAGE

- (2) 100 gall painted aluminum fuel tanks with cross feed and sight-glass gauge on port tank
- 65 gall PVC tank with Wema gauge by companionway
- 35 gall PVC holding tank with Wema gauge by companionway
- Seaward 6 gall model F-650-W S/N 820973, with 240VAC heater (shore power or generator), or engine heat underway

PUMPS

- (3) Rule 2000 pump with Rule-a-matic-Plus bilge pump float switches in cabin bilge, engine bilge, and aft bilge (new 2018)
- Rule 3700 secondary bilge pump with Rule-a-matic-Plus float switch/high water alarm - starboard side engine space (new 2018)
- Emergency engine high-flow rate "crash" pump valved from engine seawater intake with strainer

- Whale Gulper 320 sump pump
- Reverso OP-6 oil change system

Electrical

- Onan Generator, 5kVA, Model: MDKBH-5753369,S/N: B060886882, approx. 500 hr. in sound shield enclosure
- New exhaust manifold and heat exchanger (2025)
- Mastervolt Mass Sine 12/2000 5kW, sine wave inverter with control panel at Companionway
- Cummins 12V/130A engine-driven alternator
- Shore Power: Hubbell 50N125/250V connector with 50' cord
- Schneider double pole breaker for shore power
- GFCI protected outlets throughout
- AC/DC breaker panel in engine room
- Meters/Polarity Indicators: Mastervolt AC Power Analyzer ACM-I in companionway
- Battery charger: Mastervolt Chargemaster Plus 12/75-3, 75-amp/3-bank automatic charger (2024)
- Battery isolator
- Mastervolt battery monitor BTM-III (2023)
- Marine grade insulated, tinned, stranded, copper cable
- All new batteries:
 - (3) 8D Mastervolt AGM (2026) for house and engine start
 - (3) Group 31 Mastervolt AGM for bow and stern thrusters and generator start (2026)
- Convenient remote battery switches at helm
- Windlass
- Bow Thruster (Propspeed applied annually)
- Dedicated battery and charger for bow thruster and windlass (2019)
- Stern Thruster (new 2022) with dedicated battery and charger (2022, Proppseed applied annually)
- Spirit Battery Plus Lithium-ion 1.276 kWh, 45V, battery pack for Spirit 1.0 Plus electric outboard (2025)
- Isotherm TB18 18-liter portable 12/24V DC refrigerator and freezer travel box

Hull, House and Deck

- Hull, superstructure, deck and liners are constructed of hand laminated FRP with SAN (thermoplastic closed cell) foam core
- Hull is protected with a molded FRP rub rail and stainless-steel half-round rub strip and lower teak rub rail with stainless-steel half round rub strip
- Topsides Flag Blue Awlgrip waxed annually
- Hull and House waxed annually
- Bottom stripped, (2) barrier coats, and (2) antifouling coats applied (2023)
- Bottom sanded and painted each subsequent year with Petit Hydrocoat WB Green
- Modified deep V with hard chine and skeg
- Sacrificial anodes on transom, trim tabs, rudder, prop cone, and bow thruster (2026)
- Molded FRP hardtop with stainless-steel tube supports aft
- Sliding side windows
- Center venting safety glass windshield with aluminum frame
- (3) 31" pantographic wipers with Exalto control and fresh water washer
- White powder-coated antenna mast holding radar and all-around white masthead light
- Aft enclosure
- Mooring enclosure for the entire cockpit
- Cover for helm console

HARDWARE & EQUIPMENT

- All exterior brightwork varnished annually
- Stainless-steel tube bow rail and handrails on hardtop
- (5) Bomar stainless-steel deck hatches with retractable screens and shades
- (6) Opening stainless-steel ports with screens and shades
- 22 lb. stainless-steel Delta plow anchor on bow roller with 150' 5/16" galvanized chain
- Spare galvanized anchor with chain and rode
- Anchor Windlass: Maxwell 800, 12VDC, low profile gypsy, with helm control and bow foot pads
- Cast stainless-steel oversize cleats (forward, mid-ships for spring lines, and aft), chocks and hawse holes
- Solid teak swim platform with stainless-steel supports and fold-down swim ladder
- Varnished teak table 30" long x 18" for aft cockpit, or helm deck, stowed under starboard helm deck seating
- Transom hot and cold shower
- Spacious cockpit with natural teak deck
- Transom seat, with blue and white striped Sunbrella fabric, with removable center section, 78" x 22" maximum
- Storage under seat
- (2) Folding aluminum Director's type chairs with blue canvas
- (4) cupholders with drains
- Courtesy lights
- Transom door
- (3) lazarette deck hatches opening to a very large full beam storage lazarette
- 50A Shore power connection
- Varnished teak burgee and ensign flagstaffs

- Teak swim platform and stainless-steel supports
- Alfred Hurley Marine davits on swim platform (2018)
- Zodiac 9' aluminum bottom inflatable tender, Model Wave 275 (2020)
- Spirit 1.0 Plus electric outboard with 1.2675 kWh Lithium- Ion battery pack (2025)
- Air horn
- Non-skid on side deck, foredeck and house top
- Teak name boards with port and starboard lights

Safety and Additional Equipment

- 9' Tender (2020) with Electric Outboard Motor (2025)
- (8) PFD
- (2) Type IV throwable cushions
- (3) hand-held fire extinguishers (recertified 2026)
- First Aid Kit
- Sound Signals
 - Hand held air horn canister
 - Ship's trumpet style air horn
- Dock lines
- Fenders
- Boat hook
- Folding stainless-steel swim ladder at swim platform
