Description

An Ideal cruising boat for a couple: Rosborough 246 Halifax, *Symmetry*.

U.S. built by Eastern Boat Works, Milton, NH

The Halifax is designed to open up the Helm Deck. With a settee on the port side, elevated for great visibility, guests are treated to a great view when underway. This seat also converts to a generous berth. The settee features a teak dining table on an articulating arm to provide both dining space and extra counter space.

The galley to starboard features a large refrigerator, two burner stove and deep stainless steel sink. The arrangement allows for a wide center walkway.

- Spacious cockpit with full extended roof
- No-step entrance door to air-conditioned helm deck
- Elevated settee to port, with foot rests and removable and movable dining table
- Table can be relocated to the cockpit for outside entertaining
- Dinette converts to a generous berth
- Full Galley to starboard
- Twin Captain's chairs with wide port and starboard helm doors

Key Features

- Very low maintenance
- Easy to handle with bow thruster
- 6' 5" Headroom
- A/C
- Fuel efficient design
- Very low hours
- Impeccable condition
- Trailerable (trailer not included)
